- * Cooler
- * Shell collector: An empty plastic container or zippered plastic bag for all the shells you gather will do the trick.
- * Water shoes
- * Mesh bag: Great for storing everything you need for the beach and the mesh will help sift away all the sand.
- * Diaper bag
- * Life jackets/other safety flotation devices
- * Beach cover-ups
- * Play yard
- * Swimwear & beach towels
- * Thermometer – to ensure that your child is not overheating.

Quinny
Buzz stroller

Easy to push and manoeuvre, even in the sand, and perfect for baby to nap at the beach.

Quinny
Parasol

Stylishly affixes to the Quinny Buzz stroller to protect baby from harmful UV rays.

Safety 1st Froggy and Friends Inflatable Tub

Makes a great little pool for baby to play in at the beach and deflates to easily pack away when it's time to go home.

Quinny
Diaper Bag

With an easy-to-carry shoulder strap has pockets – great for storing clothing changes, diapers or baby's towel, plus a changing mat that snaps to the bag.

Eddie Bauer
Tent Play Yard

Perfect when your little one has had enough sand and sun. It provides shade – and protection from blowing sand if the wind picks up.
