Safety 1st
On-the-Go
Childproofing Kit

This kit contains a small collection of easy-to-install childproofing items including 2 cabinet slide locks, 16 outlet plug covers and the package doubles as a storage/travel case.

Safety 1st
Safety Gate

Just like home, you need to baby-proof your space, so the cottage is a safe haven for baby and you have peace of mind.

Safety 1st
Bed Rail

Ensure your child has a good night's sleep with this secure Bedrail. The bedrail folds flat to easily transport between destinations.

Lux
Folding High
Chair

The Hype about this high chair is the ultra compact, flat fold that makes storage easy and saves space. This high chair offers 5 position height adjustment, 3-position recline and 3 position 1-hand adjustable tray with a dishwasher safe insert.

Safety 1st
High-Def Digital
Monitor

Provides a 100% clear connection anytime, anywhere – even the cottage – with no interference and a clear, private signal, so you can hear your baby clearly.
