Eddie Bauer
Bear Baby View
Mirror

The perfect way to keep your eye on a baby in a rear-facing car seat, it affixes to the back seat so you can watch baby in the mirror's reflection – easy to position and install.

Maxi-Cosi
Car Seat

Easy to install, comfortable for baby over the long haul, adjustable to a growing child, can be combined with Maxi-Cosi strollers. In multiple styles, colours and designs.

Safety 1st Car Seat
Protector with
Organization Pouch

Designed to protect your car seat from scratches, stains and marks that can occur on short or long car trips. Includes three roomy pockets to store your child's small toys and snacks.

Safety 1st Complete
Coverage Deluxe
Roller Shade (2 pack)

Helps protect children from the sun – just apply it to a closed window using suction cups.

Safety 1st
Baby on Board sign

The original bright yellow sign easily attaches to the car window with a suction cup, reminding others to drive safely.
